In 2009, we had the ambitious vision of building the St. Francis of Assisi Sculpture Garden – a peaceful, scenic sanctuary where visitors would be welcome to walk the paths and sit on hand-carved benches along picturesque wooded trails for a quiet retreat.

## About Instruments of Hope

Instruments of Hope is the 501C(3) nonprofit responsible for the planning, fundraising and upkeep of the 11-acre St. Francis of Assisi Sculpture Garden pathway. The land is owned by the Dominican Sisters of Marywood, and IOH has a contractual agreement with them because the pathway is a hand-in-glove fit with the sister's values of art, ecology and prayer. Throughout the year, IOH sponsors Blessing of the Animals, International Day of Peace and planting commemorative flowers in conjunction with area hospices.
